NOTE:

**As we gear up for the new school year, it's important to ensure that your child's personal belongings are properly labeled with their name on the inside. This includes items such as backpacks, uniforms, shirts, jackets, sweaters, raincoats, hats, and more. By labeling these items, you can help prevent them from getting lost or mixed up with others.

**Additionally, it's crucial to pay attention to the specific school supply items required by your child's school. Certain items may have specific specifications that need to be followed, so it's important to be aware of these requirements to avoid any misunderstandings. Any items not listed on the supply list may not be accepted, so it's best to stick to the specified items to ensure your child is prepared for the school year.

At WCCA, students are required to use only **transparent bags for backpacks, lunch boxes, or personal tote bags. This policy helps maintain a safe and organized school environment, so it's important to adhere to this requirement when purchasing school supplies.

**By taking the time to label your child's personal belongings and adhere to the school's supply list requirements, you can help ensure a smooth and successful start to the new school year. Thank you for your cooperation and attention to these important details.

** Supplies may be brought to the classroom labeled the evening of meet your teacher (most preferable) or the First Day of School.
